ABOUT THE INSTITUTE

The International Banking Institute named after Anatoliy Sobchak occupies a leading position among financial and economic educational organizations in St. Petersburg today.

We create educational programs tailored to modern employer demands in the fields of economics and business. More than 30,000 graduates of the IBI named after Anatoly Sobchak have become highly sought-after professionals.

The institute implements a continuous learning concept – from secondary education to postgraduate studies, along with a wide range of professional retraining and advanced training programs.
